

Visit of Sr. Scientists of four different Krishi Vigyan Kendra (KVK) (03/03/2023)

A team of Sr. Scientists of four different Krishi Vigyan Kendras (KVKs) visited ICFRE-Tropical Forest Research Institute Jabalpur on 3rd March 2023. The team interacted with Dr. Nitin Kulkarni, Director of the Institute, including the Research projects. More emphasis was on strengthening linkages by establishing demonstration trials of different species and collaborative training programs. Dr. Nanita Berry, Head, Forest Extension Division, TFRI discussed the Agroforestry related researches and discussed the extension activities. The team also visited Interpretation Centre cum Museum.

Glimpses of the visit
