

ABOUT ICFRE-TFRI

ICFRE - Tropical Forest Research Institute (TFRI), Jabalpur is one of the premier institutes under the Indian Council of Forestry Research & Education, Dehradun (an autonomous body under Ministry of Environment and Forests, Govt. of India). It was established as a regional centre of Forest Research Institute, Dehradun in 1973 and became a full-fledged institute in April 1988 with a mandate to conduct research on Ecology, Climate change, Silviculture, Agroforestry, and Non-Timber Forest Produce, Genetics and tree improvement and Forest protection.

The Institute is well equipped with modern analytical instruments and implements its mandate of research programme through competent scientists, forest officers and trained technical personnel placed in nine research divisions and one satellite centre 'ICFRE - Skill Development Centre' at Chhindwara, Madhya Pradesh. ICFRE - TFRI caters to the overall research needs of forests of three Central Indian states, viz., Madhya Pradesh, Chhattisgarh and Maharashtra.

TARGET GROUP

UG, PG students and Research scholars

HOW TO TRAVEL

Nearest Railway Station: Jabalpur Railway Station, 10 Km.
Nearest Airport: Jabalpur Airport, 35 Km.

TRAINING ON SOIL, PLANT AND WATER ANALYSIS

21 TO 25 OCTOBER 2024

ORGANIZED BY

**ICFRE-TROPICAL FOREST RESEARCH
INSTITUTE (TFRI), JABALPUR**

ABOUT THE COURSE

This training program covers the range of topics related to soil sampling and testing. It comprises of introductory sessions on importance of soil testing and hands on experience in soil, water and plant analysis using modern tools and equipment. The training modules are designed to equip the participants in analysing physical and chemical properties of soil, water and plant analysis.

- ▶ Physical properties - Bulk density, soil colour, soil moisture, infiltration rate and soil texture.
- ▶ Chemical properties - pH, electrical conductivity, macro and micro nutrients and heavy metals
- ▶ Water analysis - Colour, silica content, Chromium and Fluoride content.
- ▶ Plant analysis - Macro and Micronutrients.

Along with this, training will be given in interpreting the soil results and preparing soil health cards.

REGISTRATION FEE

The fee for the training is Rs. 9,000/-.

Registration fee includes training material, refreshment and meals, local field visits as well as pick-up and drop from Railway Station and Airport.

Accommodation will be provided in guest house on payment basis.

BANK DETAILS FOR PAYMENT

Demand Draft or NEFTs favoring 'Director, Tropical Forest Research Institute, Jabalpur' payable at Jabalpur.

Name: Director, Tropical Forest Research Institute

Bank: Union Bank of India

Branch: TFRI, Neemkheda

Account number: 32570 201101 0998

Account type: Savings Ac

NEFT/IFSC Code: UBIN0564885
